## A Day in the Life of the Buffalo River

### Teachers,

Partner with Reinstein Woods Nature Preserve for a one-day science extravaganza on the Buffalo River! Your class will survey a sample site along the river, scoop for aquatic creatures, perform chemical analyses of water samples and more! Each class will be accompanied by staff from local environmental organizations.

- **Bus grants available**
- **Earn a \$25.00 stipend\***
- **Equipment and training provided**
- **Scientific exploration in biology, chemistry and more**

This year's river adventure takes place on:

**Thursday, September 29, 2016**

**10 AM - 1 PM**
