Scouting Values Faith

For over 100 years Boy Scouts has enjoyed the support of religious organizations. Together we have enriched the spiritual lives of youth, each of whom strives from the perspective of their own personal belief to live up to the Scout Oath & Law.

As a Scout experiences the wonders of the outdoors, stormy weather and calm blue skies, pounding surf and trickling streams, towering trees and barren desert, he experiences the work of God. Appreciating life in its multitude of forms, from the smallest insects to gigantic wildlife, a Scout comes to terms with his place in the world.

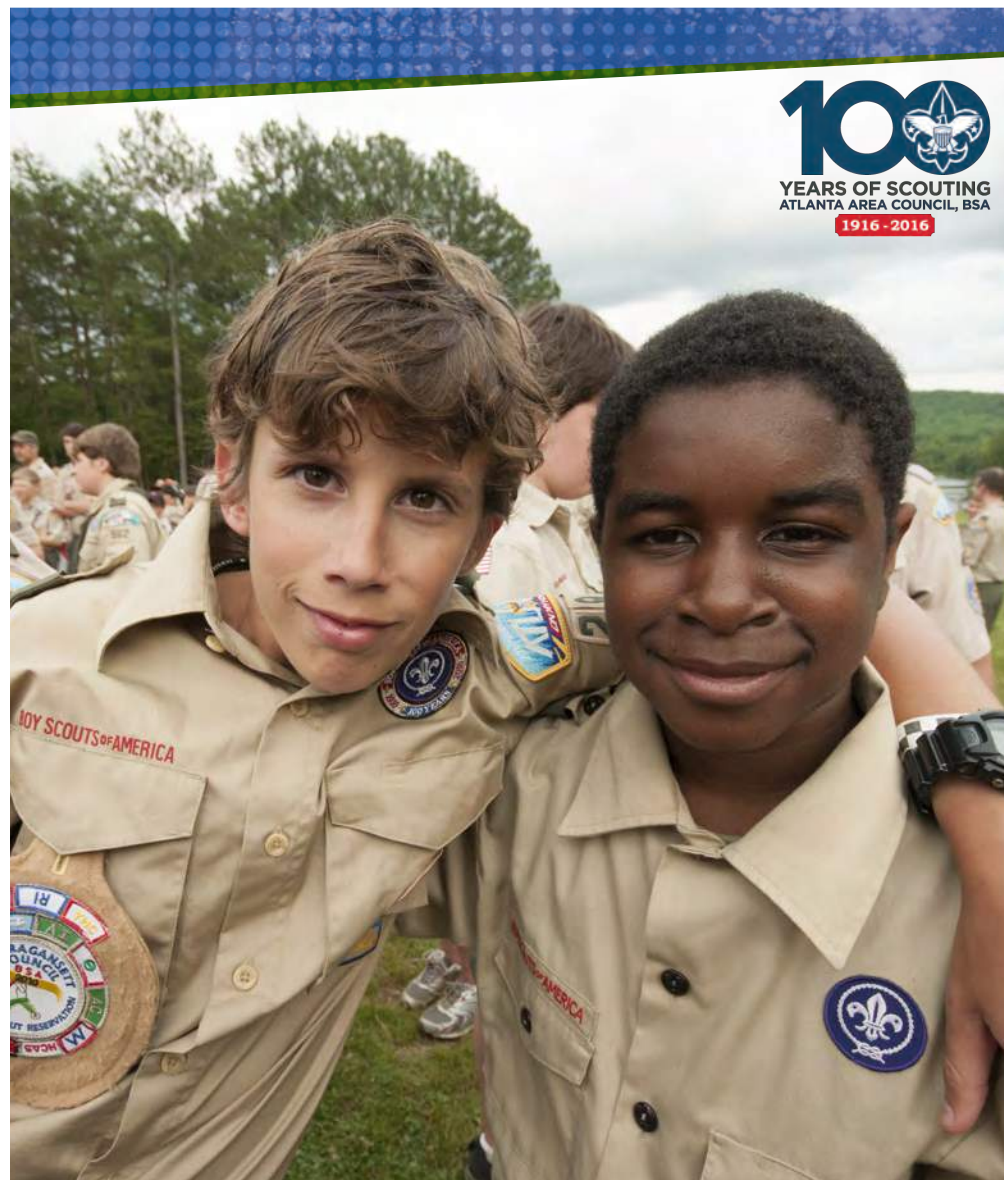

Come Join The Fun

Promoting strong values, leadership and community service are key components of Scouting. The Pack or Troop sponsored by your religious organization is the perfect opportunity for your family to become more engaged in its faith while having fun together. Scouting offers a valuable program for our youth, so we need caring adults like you to lead and mentor.

If you would like more information about joining Boy Scouts or volunteering, please talk with a Boy Scout Leader today after services or contact the Atlanta Area Council.
