

Practice of the Year
1st Place 2015

Board Certified Surgeon – Coral Springs, FL

Board Certified Surgeon Needed – Coral Springs Animal Hospital was established in 1977, we are a General, Specialty, and Emergency/Critical Care Hospital open 24/7/365 located near Fort Lauderdale, Florida. We moved into a brand new 38,000 square foot building in November 2008. In the March 2012 issue, Veterinary Economics featured our facility as "Hospital of the Year". In 2015, we were named the AAHA Referral Practice of the Year as well as the PetPlan Practice of the Year.

We have Board Certified Specialists in Internal Medicine (3), Oncology (1), Surgery (2), Cardiology (1), Radiology (5), Ophthalmology (1), and Behavior (1) and a Residency Trained Criticalist. We also have an established comprehensive Canine Rehabilitation Service with Certified Canine Rehabilitation Therapists (2) and Certified Canine Rehabilitation Assistants (3).

Experienced emergency clinicians and rotating interns staff the hospital 24/7 to care for your patients out of hours. We have an excellent support staff of 120 individuals with very low turnover.

Our caseload continues to grow with over 600 referring veterinarians. Our progressive AAHA Accredited Primary Care Practice refers a consistent caseload of affluent, educated, and committed clients.

Current facilities include:

- Intensive and Critical Care Units (2)
- In-House laboratory
 - NOVA pHox Ultra
 - Catalyst Dx
 - VetLab Station
 - Coag Dx
 - Snap Pro
- IDEXX Reference Laboratory (in-house)
- Digital Radiology
- CT and MRI
- EMG (Cadwell SierraWave)
- Fluoroscopy
- Five Surgery Suites
- Laparoscopy and Thoracoscopy
- Central pharmacy that is accurately inventoried and well stocked
- Video endoscopy (bronchoscopy, gastroscopy, and colonoscopy)
- MedRX Otoscopy (2 units)
- Ultrasound (3 machines)
- Doppler echocardiography, ECG, telemetry
- Ventilators on all anesthesia machines
- Respironics Ventilator
