

*Dignity and Respect for Seniors & People with Disabilities!*

## **SENIOR & DISABILITY RALLY**

**Call for Programs & Services We Need!**

**Thursday, May 5, 2016**

**12:00 Noon**

**Carlton B. Goodlett Steps of City Hall**

20% of San Francisco's population is age 60 and over, and 20% of the population have disabilities. City funding can and must be used to meet the needs of low-income seniors and people with disabilities. *We can't wait!*

What we need:

- Housing subsidies
- Job opportunities
- Computer training
- Support at Home (a home care subsidy program)
- Home-delivered meals and groceries
- Group van transportation
- Case managers and social workers

***Show how this city values seniors and people with disabilities! We can't wait!***
