November Classes

Email Security and Passwords – November 2, 1:00 to 3:00

Everybody has at least some anxiety about having their email hacked, interfered with or even accessed. This presentation will go over some of the issues (credit card fraud and ID theft, Phishing, passwords that compromise email security) and how recognize and deal with them.

Free Music and Movies Online – November 9, 1:00 to 3:00

An overview of the best sites on the internet for free music and free movies – from ancient to contemporary to jazz to classical to hip hop - includes learning how to use YouTube to watch or to post your own thoughts, photos, and tapes as well as legally download songs and videos.

Help Desk and Lunch – November 16, 9:00 to 3:00

Do you know the difference between AT&T and Verizon? Should you get a smart phone? Do you need help with your high tech gadgets? Bring your tech toys and ?'s – get answers – and join us for turkey sandwiches.

Shopping Online – Or Not? - November 23, 1:00-3:00

In this workshop, we will look at a few of the many aspects of shopping online, including: **Is it safe?** Security versus privacy. Compared to what? **Finding shops** and restaurants. **Finding reviews** of products. **Major shopping sites**, for example, Amazon, [Etsy](#), Ebay, Craigslist. **Registering complaints**.

Share Your Stories - The History Project – November 30, 10:00 to Noon

Join us for an overview of this new way to tell your “stories” and preserve your memories. Learn more at www.thehistoryproject.com to join this free site.
