## **CLC Mondays at 360 Valencia in April 2016**

### **Open Lab and Tutoring in April – PLEASE NOTE 1:00pm CLOSING TIME**

During April, the lab will be closing early to accommodate another program in the afternoon. We will go back to our regular hours in May.

**Monday, April 4 – 9:00 am to 1:00 pm**

**Monday, April 11 - 9:00 am to 1:00 pm**

**Monday, April 18 - 9:00 am to 1:00 pm**

**Monday, April 25 - 9:00 am to 1:00 pm**

**Share Your Stories - The History Project: Most every Monday, from 11:00 to 1:00**, we will offer support for individuals using The History Project platform. Join us to learn more about this new way to tell your stories and preserve your memories. Learn more at [www.thehistoryproject.com](http://www.thehistoryproject.com). Then bring ideas, pictures, and questions to 360 Valencia on Mondays and we'll help you get started.

### **April Classes**

**Dealing with Passwords / Email Security** – April 4, 11:00 am to 1:00 pm

Everybody has at least some anxiety about having their email hacked, interfered with or even accessed. This presentation will go over some of the issues (credit card fraud and ID theft, Phishing, passwords) that compromise email security and how to recognize and deal with them.

**Playing With Photoshop** – April 11, 10:00 am to 12:00 pm

We're offering Photoshop classes and tutoring on the 2nd Monday of every month. Join us as a beginner or intermediate student. Bring questions and issues or tasks you would like to complete and we can help you.

**Google Earth** – April 18, 10:00 am to 12:00 pm

Learn about Google Earth: a virtual globe, map and geographical information program. View the earth (and other planets?) from outer space to your front yard.

**The History Project** – April 25, 11:00 am to 1:00 pm

Continue work from the last session in March or start fresh and create your own story online – bring together text, photos, and much more. Individual assistance available. Beginners welcome!

**See reverse side for other sites where CLC is teaching special "On The Road" classes and hosting weekly open computer labs**
