

# Scholarships offer opportunity, *transform lives.*

Support our signature events March 28th and June 15th, 2015.  
Please see back page for sponsorship opportunities.

For Treston, Asya and Julie, pursuing a college education would not have been possible without the crucial support they received from the Lincoln University Foundation. They feel a real connection to the student-centered campus and enjoy the community they have found here.

The LU Foundation helps Treston, Asya and Julie, grow and explore all the University has to offer. Your support helps hundreds of students grow both academically and personally--providing skills for life.

Awarding scholarships and supporting integral student programs has truly become more important than ever before.
