

The Focus of Our Work:

Learning Cycles

How do we develop students who take an active stance in their own learning and become actively literate, contributing members of society who make a positive difference in the world?

Cycle 1

How do we develop an academic, social and physical environment worthy of our children?

Cycle 2

How do we create classrooms that are alive with collaborative conversations?

Cycle 3

How do we create the learning conditions that maximize the potential that lies within the variability of all learners?

Cycle 4

How do we develop students who take an active stance in their own learning and the learning of others?
