ELECTRONIC FLYER DELIVERY STARTS September 15, 2015

Our school is launching a new electronic flyer communication tool called "Peachjar". To view school-approved eflyers, simply click the Peachjar button on the school's website or in the eSplash. The flyers will also be emailed directly to you.

This "green" initiative will save our schools tons of paper and reduce copy costs by thousands of dollars. On top of that, posting school flyers in this electronic backpack removes a significant administrative burden from teachers, office staff, and volunteers.

No action is required on your part. You will receive a welcome email from our service provider (Peachjar) that includes a username and password. This information is provided to give you the opportunity to manage your account and flyer delivery preferences. Note: You do not need to login to receive or view school eflyers.

To ensure smooth delivery of this communication, we suggest you add school@peachjar.com to your email contacts. When you receive your first eflyer, be sure to click "always display images".

This system is used exclusively for distribution of school-approved flyers. **Your email address will not be shared or used for any other purpose, and you may opt out at any time.**

Thank you for supporting our efforts to ensure parents are well informed about school programs, activities, and events.
