

To the Parents of the Instrumental Music Students at Muirlands Middle School

The 6th, 7th and 8th grade Band and Orchestra students are having their final
'Big Combined Spring Concert' on Friday June 10th at 5:30 pm
in the Muirlands Auditorium.

Concert order will be as follows.

1st, 6th grade band.

2nd, 6th grade strings.

3rd, advanced strings

4th, advanced Band

Several of the groups will be combined for certain pieces throughout this performance.

Depending on circumstance, the order of some performances may be changed

There will be short breaks between each group while several of us will move music stands and chairs to accommodate the different groups, so please be patient ☺

To all students, you should not be running around outside of the auditorium while the other groups are performing. For the most part you should be seated quietly in the chairs placed on the sides of the auditorium with your instrument and your music until you are asked to come up on to the stage.

Concert Dress; white shirt or blouse, black pants or skirt.

I would like to thank all the parents, the administration, and the teachers for supporting instrumental music here at Muirlands and also for supporting all of your students in their musical endeavors.

The students have worked hard to prepare for this concert.
So bring all your family and friends to hear the beautiful sounds of your *young musicians*.

We do look forward to entertaining you.

Sincerely, Mr. David Rouillard 619-772-2361
