*While the program is being provided entirely free of charge, if players & parents are appreciative of the varsity players' time & efforts, tax-deductible donations to the La Jolla High School Boys' Volleyball Foundation account would be greatly appreciated! Simply ask any high school player/coach for details on how to donate directly to the LJHS Foundation. Regardless, we encourage all interested players to participate, without any expectation of financial contributions. The varsity players simply see this as a great opportunity to give back to the local community and share their passion for the sport of volleyball with the next generation of up and coming players!*
