

THURSDAYS – POSITIVE FUTURE TRAINING: SUCCESS THROUGH SELF AWARENESS (8 WEEKS - \$199)

Club Xcite's Positive Future Training is a skill-building program designed to help students develop necessary skills for a successful future. Over an 8-week session, students will address the following concepts:

- how to set attainable goals
- implement self-motivation strategies
- use positive communication
- build self-awareness & self-confidence
- create and maintain life balance
- facilitate and maintain success and growth

With our unique 8 to 1 student to teacher ratio, Club Xcite's experienced skills coaches will help students learn and thrive in a natural learning environment. We will teach skills through various hands-on activities such as games, critical thinking, and group work, as well as provide strategies and tools so that students can allow these skills to flow into all areas of their life in order to build successful futures!
