

MUIRLANDS FOUNDATION NEEDS YOU!

WANTED: Parents with willingness to enjoy working with a great team of parent volunteers next year. No experience necessary!

Here are important open volunteer roles:

6th Grade Camp Cuayamaca Liaison: Serve as parent liaison for 6th grade camp (scheduled over Spring Break 2016). The tour company manages a lot of details. This 6th grade parent is the liaison between 6th grade parents and the tour company.

Local Sponsorship Team: Follow up with local businesses to renew their annual sponsorships and/or find new sponsors. We provide awesome benefits and recognition for our generous local business partners. All written materials have been developed and contacts are in place. Training provided by current volunteers.

Student Videographers: Update the Foundation video for the 2015-2016 school year using iMovie this summer/early fall. Students can choose new music, update photos, change dates, etc., and put it on their resume! Plus, this video is shown to our Muirlands community several times each year.

Snack Table: Manage the snack table after Mr. Benjamin's Junior Assembly held in the auditorium from October - March. This incoming 6th grade parent (or parents) coordinates donation and selling of snacks after each session. Snacks are a popular attraction for these

hungry, thirsty students. Proceeds benefit the Foundation. As an added bonus, volunteers can watch the dressed up girls and boys learn etiquette and dance. It's adorable.
