## 2016 Sponsorship Commitment

We realize that you have a choice in whom you support and what events meet your clientele outreach needs; thus, we are working to provide two annual events that may bring Return on Investment (ROI) to your business needs. **On July 23rd, 2016 we will be holding our Hammers & High Heels event which caters our local construction industry at SKA Brewing Co. from 7-10pm.**

***On November 4th, 2016 we are hosting Habitat for Humanity's 18<sup>th</sup> Annual Wine Tasting & Silent Auction Gala at the DoubleTree Hotel from 5:30-8:30pm.*** Both events have silent auction components and sponsorship opportunities. We are so very fortunate to have you supporting our mission. Over 56.5% of the working population in La Plata County earns within our income qualifications! Realize that 99% of all revenue for our local Habitat for Humanity comes directly from our community. Our existence and our ability to secure home ownership is directly tied to contributions such as yours.

On behalf of our families realizing home ownership this fall, we would like to thank you for your support both in this event and in advocating for home ownership. Studies support that home ownership helps to ensure healthy communities through stability in housing, empowerment of community residents, academic success for children and retention of employees.

For additional ways to participate or to discuss options to suit YOUR return on investment, please do not hesitate to call on me.
