

# Community Wellness Seminar

*Saddleback Memorial – Laguna Hills*

## Advances in Facial Plastic Surgery

**Thursday, October 15, 2015**

**11:30 a.m. – 1:00 p.m.**

*Cory Yeh, M.D.*

Join **Cory Yeh, M.D.** for a discussion on the latest advances in facial plastic and reconstructive surgery. Includes an update on minimally invasive facial cosmetic treatments, advances in nasal reconstruction, contemporary approaches to facial skin cancers and facial paralysis, and the evolution of facial transplants.
