Guidelines/Instructions

Guidelines for building the houses

- **Use natural materials**- this can include rocks, pebbles, shells, feathers, wood, sticks, grass, moss, leaves, acorns, berries, pinecones, pumpkins, gourds, dirt and flowers.
- **Platforms must be used**- this helps for easy delivery and transport. However, try to conceal the platform while on site at the event. Planters are a creative and fun option to use as platforms.
- **Houses should appear to be made entirely out of natural components.** Hot glue, acrylic spray and other items can be used but should be concealed.
- **The theme of the house may be anything you wish.** Please do not use any items of value in the houses.

Delivery and Installation

- Your completed fairy shelter should be brought to either the restaurant who is sponsoring your fairy shelter by Monday, April 18th, 2016 or to DVC on Thursday, April 14th, 2016.

Why Build a Fairy Shelter for the Domestic Violence Center?

- It is an opportunity for both children and adults to participate in providing shelter for others.
- It encourages family involvement and teamwork.
- You are helping to support a local non-profit in their work against domestic violence.

See some pictures below for ideas! You may also want to look into purchasing a kit online if needed.
