

# Teletech Grand Opening

At this month's Grand Opening for Teletech at Bradford Square Mall, Todd Baxter, Senior Vice President of Operations for Teletech announced that 105 employees were recently hired and there will be more to come. Starting in February an additional 100 employees will be hired to meet the needs of a second client that was recently acquired.

Hopkinsville Community College has been working closely with TeleTech allowing the company to use the HCC campus for the training of their new workforce. The company **went live** with their first 50 employees on Thursday, December 19th.

Baxter also announced the new Executive Director of Operations at the facility will be Cassandra Berkenbile, who will be relocating here from their Phoenix, AZ facility.
