Keynote Speaker

SCOTT REAVELY • NEW LIFE CHURCH

Scott Reavely, the pastor of New Life Church in West Linn, Oregon, will be our keynote speaker. From a small town in Montana, he followed his call to ministry which eventually led him to Portland, Oregon. It was there he went to school and served as an intern at First Baptist Church of West Linn, now known as New Life Church. This generous-but-aging church, poorly located in a transitioning community, was dying.

Scott was called to pastor New Life Church upon his graduation from seminary and immediately began to breathe "new life" into the old body. The church grew rapidly but chose to stay at its old location. As the solution to outgrowing their facility, Scott and his congregation choose to plant other churches in its own neighborhood. Scott's ministry is marked by grace, sound teaching, relational strength and people/leader development.
