

MEDICAL COLLEGE OF WISCONSIN SEEKS VICE CHAIR AND DIRECTOR OF ANATOMIC PATHOLOGY

Merritt Hawkins, the nation's premier academic physician recruitment firm, invites you to consider a Vice Chair and Director of Anatomic Pathology opportunity that provides a unique balance of practice fulfillment and quality of life. The Medical College of Wisconsin is seeking an academic leader at the Associate or Professor level with an interest in leadership, research, teaching, and the desire to play an integral part of growing an established program.

This unique opportunity offers:

- Seeking a candidate with a strong academic background, track record of publications, leadership qualities, and administrative skills
- Lead and grow an established clinical and education program
- Protected time for admin, teaching, and scholarly activities
- Manage an active subspecialty practice group in Anatomic Pathology while providing medical direction for anatomic pathology technical facilities
- Individuals interested in pursuing clinical and translational research are strongly encouraged to apply
- Seeking candidates interested in furthering their national reputation in their field of interest
- Rewarding opportunity to teach medical students, residents, and fellows
- Collegial Department with very supportive Chair and other faculty
- Competitive salary with comprehensive benefit package
- Access to advanced Core Translational Research Lab with all modern molecular techniques available for research

Community:

Enjoy the "lake country" which offers a high quality of life, safe communities, immediate access to two of the state's largest cities and an average commute time of 20 minutes or less.

- Exceptional school systems to include both public and private schools for both primary and secondary education
- Take advantage of fantastic shopping with numerous area malls and eclectic specialty shops
- Numerous options for fine dining and ethnic food selections
- Home to multiple museums, art centers, the symphony, ballet, opera, theater, and professional MLB and NBA sports teams. This community is able to satisfy all interests
- Over 140 parks, with more than 15,000 acres, 65 miles of bicycle lanes and trails perched on one of the largest fresh water lakes in the country, this region is able to blend small-town ambiance with big-city excitement
- Major metropolitan area of 1.5 million people that serves as the headquarters for 5 Fortune 500 Companies

This institution is an affirmative action equal opportunity employer that values diversity. Candidates of all backgrounds are encouraged to apply.
