

**Chairperson, Department of Anesthesiology
Keck School of Medicine of the University of Southern California**

The Keck School of Medicine of USC invites applications and nominations for Chairperson, Department Anesthesiology.

With over 60 faculty and 40 CRNAs, the Department supports the clinical, education, research and administrative missions of the Keck School of Medicine. The Department's faculty has extraordinary breadth and depth of subspecialty skills essential to the University's surgical and other interventional services. Faculty clinical skills in transplant, cardiothoracic, vascular, orthopedic, neurosurgery, pediatrics, OB/Gyn, critical care, pain, regional and palliative services are comparable to any other anesthesiology department in the United States. The Department provides education for its 54 residents at three University based hospitals and LAC+USC Medical Center. There are 3 fellowships (Adult Cardiac, Regional Anesthesia, and Pain Medicine) and a Critical Care Fellowship is in development.

The Chair will be a mission-driven academic anesthesiologist with strong leadership and operational skills. She/he will also be committed to achieving the appropriate balance between providing high levels of clinical service and ensuring that the faculty's efforts in research and education build the reputation of the department.

The Academic Health Center Practice of Korn Ferry is assisting with this important search. Please forward, as soon as possible, your application, including letter of interest, or nominations of appropriate candidates to:
