

Chief, Cardiology and Cardiac Services

Methodist Le Bonheur Healthcare

Memphis, Tennessee

Methodist Le Bonheur Healthcare (MLH) (www.methodisthealth.org) is mission-driven, not-for-profit integrated health care system based in Memphis, Tennessee and is a seven-hospital system with approximately 1,805 licensed beds, an outpatient and ambulatory services division, a home health agency, 12,500 Associates and a medical staff of 2,500 physicians which includes 630 faculty members.

- Modern Healthcare Magazine has ranked MLH as one of the Top 100 Integrated Healthcare Networks in the country.
- Le Bonheur Children's Hospital has been named a Best Children's Hospital by U.S. News & World Report

Methodist Le Bonheur Healthcare has a strong affiliation with the University of Tennessee Health Science Center and the College of Medicine. Methodist University Hospital and Le Bonheur Children's Hospital serve as the University's primary teaching hospital sites.

Summary:

- The Chief of Cardiology and Cardiac Services assumes responsibility for providing system leadership for cardiology and cardiac services provided across the continuum of care. This physician leader is ultimately responsible for the clinical and administrative performance of the Cardiac Service Line.
- In addition, this individual will be the Chief of Cardiology within the Department of Medicine at the University Of Tennessee College Of Medicine, and will be the primary interface with the University Of Tennessee Health Science Center for the purpose of furthering clinical education and research.

Qualifications:

- An M.D. or D.O. with national recognition in the field of cardiology or cardiovascular related specialty.
- Board Certification in Internal Medicine and Cardiology; Fellowship highly desirable including subspecialty Certification.
- Credentials to support the rank of Associate Professor in an appropriate academic unit.
- National recognition as evidenced by involvement in academic societies at the national level.
- Progressive administrative experience, i.e. Medical Director, Past President or Department Chairman, preferably in an *academic medical center*.
- Possession of, or eligibility for, a medical license in the State of Tennessee.

The search process is currently underway and will continue until the position is filled. Please direct all resumes, and letters of interest or nominations to:
