

**Vice Chancellor for Health Affairs
University of Illinois at Chicago**

The University of Illinois at Chicago (UIC) and the University of Illinois Hospital & Health Sciences System (UI Health) – one of the nation’s most dynamic, diverse, and progressive enterprises of higher education and health affairs – is seeking an experienced academic healthcare executive to lead UI Health and the seven health science colleges in the newly created Vice Chancellor for Health Affairs position (VCHA). The VCHA will be charged with transforming the existing organizational enterprise by bringing together the UIC health science colleges and the clinical delivery sites that comprise UI Health to optimize patient care and healthcare delivery in this unique urban setting, promote community health care services, and coordinate health science research and education. This individual will join the senior executive team of UIC, comprised of the Chancellor and Vice Chancellor for Academic Affairs.

The VCHA will have primary responsibility and oversight for the healthcare delivery system (University of Illinois Hospital, the Outpatient Care Center, the multiple Mile Square federally qualified health center sites, and off-site clinics) and the seven health science colleges (Applied Health Sciences, Dentistry, Medicine, Nursing, Pharmacy, Public Health, and Social Work) on the UIC campus along with their respective regional campuses. Combined the enterprise employs over 8,615, enrolls over 7,499 bachelors, professional and graduate students; has research expenditures of nearly \$225 million per year (FY14); and manages a total budget of \$1.3 billion (FY15), which includes the \$618 million healthcare delivery system.

The successful candidate must be an M.D. or an individual with a doctoral degree in health sciences or health-related field and demonstrate the following: credentials commensurate for appointment at the level of full professor; significant senior leadership experience and effective management; and national and international stature and scholarly achievement.

Nominations and applications including a letter of interest and a resume or CV can be sent in confidence via email to Witt/Kieffer, the University’s executive search consultants, specifically Karen Otto, Linda Komnick and Jeff Schroetlin (630-990-1370), at UICVCHHealthAffairs@wittkieffer.com. Additionally, for fullest consideration, applicants must also apply at <https://jobs.uic.edu/job-board/job-details?jobID=51023> by May 11, 2015.

The University of Illinois at Chicago is an affirmative action, equal opportunity employer that has a strong institutional commitment to the principle of diversity and is particularly interested in receiving applications from a broad spectrum of people, including members of ethnic minorities, women, covered veterans, and individuals with disabilities.
