

**Wake Forest Baptist Medical Center
Chair, Department of Pediatrics**

Wake Forest Baptist Medical Center (WFBMC) seeks an accomplished academic/physician executive leader to serve as Chair, Department of Pediatrics

The Chair is the leader of the department's significant clinical, biomedical research, and educational enterprise and is primarily responsible for the continued success, growth and development of all components of scholarly and clinical endeavors. The Chair also ensures that the pediatric department's research and educational missions fully integrate with the clinical mission and enterprise. The Chair of Pediatrics reports to the Dean of the School of Medicine and the EVP, Health System Affairs, and serves as co-director of the Children's Health Service Line.

WFBMC is a nationally recognized, fully integrated academic medical Center and health system located in central North Carolina. Employing over 13,000 people, which includes approximately 1,000 faculty members, 530 adjunct and clinical faculty in the community, and operating with a combined budget of over \$2.2 billion. It is the largest employer in Forsyth County (Winston-Salem), North Carolina.

Letters of application, with curriculum vitae, and/or letters of nominations should be submitted by e-mail to ancubauer@phillipsdipisa.com.

Wake Forest Baptist Medical Center is an Affirmative Action and Equal Opportunity Employer.
