

Director of Graduate Medical Education

The Director of Graduate Medical Education works in close concert with the Chief Medical Officer, Medical Staff and the various Residency Program Directors to provide leadership and management of undergraduate, graduate and continuing medical education programs and activities.

- Assist the Chief Medical Officer by providing management and budgetary examination of the various medical education programs and coordinates administrative duties related to these programs.
- Provide leadership for management services in the medical education support staff as well as the Health Science Libraries/CME
- Act as liaison contact for affiliates, Medical Schools programs, residency and fellowship programs as well as regulatory agencies
- Support organizational goals by providing quality customer service, participating in performance improvement efforts and demonstrating a commitment to team work and cooperation.

The successful candidate should possess a Masters degree in a related field, have 5 years management experience and 5 years medical education experience in program development and planning. Knowledge of residency programs and source of funding required. Candidates with Bachelor's degree in related field and 10 years of program development and planning experience will also be considered.

AtlantiCare is Southern New Jersey's largest employer. With approximately 5,500 employees and 600 physicians, AtlantiCare serves the South Jersey community in nearly 90 locations. AtlantiCare is proud to be one of a handful of healthcare providers in the United States who have been the recipient of the Malcolm Baldrige Award (awarded to organizations that demonstrate quality and performance excellence) and have achieved status as a Magnet® designated hospital.

We are closer than you think! Just an easy drive down the Atlantic City Expressway, 206 or Garden State Parkway with no traffic! 45 minutes east of Philly, 45 minutes south of Toms River and Medford.
