About:

The Wayne State University Department of Family Medicine and Public Health Sciences is seeking a Board Certified Physician to become the Residency Program Director for our Wayne State University/Crittenton Family Medicine Residency Program located in beautiful Rochester Hills, Michigan. Our Family Medicine Center is a 15,000 square foot newly constructed state-of-art academic medical office and serves as the primary site for residency education. It is recognized by BC/BS as a Patient Centered Medical Home and is commended by the ACGME as a model for other residency programs on a national level. The Department of Family Medicine and Public Health Sciences at Wayne State University is dedicated to emphasizing strong academics and teaching, implementing innovative curricula, and fostering interest in practice-based research and population health.

Job Description:

Is your passion supporting a cutting-edge program in Family Medicine in its' goal to provide comprehensive, compassionate, and continuous patient care knowledge to the doctors of tomorrow? The Department of Family Medicine at Wayne State University (WSU) has a unique opportunity as a Director of Residency Program. The successful candidate will:

- Devote the majority of their professional effort to teaching, residency related administration, scholarly activity, and patient care within the program.
- Responsible for leading the development and management of residency curriculum and competency-based evaluation system.
- Teach learners in a clinical setting.
- Participate in department scholarly activities.
- Provide leadership and support to the mission of the department, School, and University.

WSU offers state-of-the-art facilities for interdisciplinary research; excellent mentoring by successful senior researchers; access to collaboration across multiple universities in Southeastern Michigan and a collegial environment. The Director of Residency Program would further foster these tremendous resources.

Requirements:

- MD degree
- Completed an accredited residency program in Family Medicine
- Certified (and recertified) by the American Board of Family Medicine
- Five to ten years of experience as a Family Medicine provider.

Preferred Qualifications:

- Three to five years of experience in academic setting with residency programs, preferably as Program Director, Associate or Assistant Program Director.

For your dedicated service, Wayne State University offers a benefit package that includes a generous retirement match: if you contribute 5% of your salary, WSU will contribute 10%. We also offer free tuition for employees and reduced tuition for spouse and children. The health care insurance, vacation and other benefits are also some of the best in the marketplace!

Inquiries / Applicants: Application review and interviews will begin immediately and continue until the position is filled. An application is required at WSU's online hiring system:
