

Chair
Department of Psychiatry and Behavioral Sciences
The University of Texas Medical Branch
Galveston, Texas

The University of Texas Medical Branch (UTMB Health) on Galveston Island is seeking candidates to serve as Chair of the Department of Psychiatry and Behavioral Sciences. Candidates with rank of Professor/Associate Professor (tenure appointment commensurate with qualifications) with strong research and administrative experience will be considered. The strongest candidates will also have entrepreneurial and management skills and experience commensurate with leading the department through aggressive expansion as part of our institutional strategic plan. The successful candidate will have demonstrated leadership skills, be nationally recognized for his/her contributions to the field.

The Department of Psychiatry and Behavioral Sciences has a long-standing tradition of excellence in patient care, research, and education. Currently, there are 16 faculty members in the department-9 in adult psychiatry and 7 in child and adolescent psychiatry. In addition to its outpatient and inpatient programs, the department has an expansive tele-psychiatry program as well as a program in which psychiatrists are embedded within several large primary care clinics in order to provide on-site mental health services and consultations. The department has two accredited training programs in general psychiatry and child and adolescent psychiatry.

Interested candidates should send current curriculum vitae, cover letter and the names and contact information for three references to Dara Childress at 301 University Boulevard, Galveston, Texas 77555-0133 or to dbchildr@utmb.edu.
