TEACHING HOSPITAL

**Division Chief, Interventional and Endovascular Neuroradiology;
Co-Director, MGH Neuro-Endovascular Program**

The Department of Radiology at Massachusetts General Hospital is recruiting a senior faculty member to serve as Division Chief of Interventional and Endovascular Neuroradiology, and Co-Director of the MGH Neuro-Endovascular Program. It is anticipated that the successful candidate will be appointed to the rank of Associate or Full Professor at Harvard Medical School commensurate with experience. The ideal candidate will have training and expertise in diagnostic neuroradiology and neurovascular intervention, and be certified by the American Board of Radiology. He/she will work collaboratively with the surgeon Co-Director of the Neuro-Endovascular Program. The position includes responsibility for all clinical, research and educational activities. Candidates should have a proven record in clinical, academic and organizational service. Curriculum vitae and letters describing interest, background and qualifications should be sent to: G. Scott Gazelle, MD, MPH, PhD, search committee chair, at 101 Merrimac Street, 10th Floor, Boston, MA, 02114 or emailed to saraho@mgm-ita.org.

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law
