

SENIOR ASSOCIATE DEAN FOR RESEARCH

The University of Missouri (MU) School of Medicine in Columbia invites applications and nominations for the position of Senior Associate Dean for Research. This position reports directly to the Dean of the School of Medicine

MU has an outstanding research infrastructure in life sciences. MU has numerous distinctions including the largest and most powerful university-owned research reactor in the country; the only NIH-funded national swine resource and research center; one of 13 regional biocontainment laboratories in the nation; one of only four Mutant Mouse Regional Resource Centers; a Rat Resource and Research Center. Thus, MU is the only university in the nation to hold three major NIH national centers.

The Senior Associate Dean for Research will work with the Dean of the School of Medicine and campus research leaders to develop strategies that identify areas of research significance which will enable the School of Medicine to grow its research enterprise. The candidate will be expected to coordinate and lead extramural applications for research infrastructure and other large institutional awards; represent the School of Medicine to local, regional and national constituencies; and provide leadership in the area of clinical and translational research. The Senior Associate Dean will also oversee the graduate program in biomedical sciences, the research compliance programs, laboratory safety and the fiscal integrity of the research enterprise.

This individual will have an MD or PhD or equivalent degree, broad progressive administrative leadership experience in an academic health center environment; working knowledge of current national biomedical research interests with a history of sponsored funding; national recognition for achievement in research pursuits that would warrant appointment as a full professor. There should be a demonstrated record of promoting collaboration and cultivating both internal and external relations. The candidate must demonstrate the highest integrity and personal ethics and have a strong commitment to diversity.

Interested individuals should submit a letter of interest and a current CV to Barbara Montgomery, staff for the search committee, at montgomeryb@health.missouri.edu or MU School of Medicine, DC018.00, Columbia, MO 65212, telephone (573) 882-0003.

The University of Missouri is fully committed to achieving the goal of a diverse and inclusive academic community of faculty, staff and students. We seek individuals who are committed to this goal and our core campus values of respect, responsibility, discovery and excellence.
