

Chair, Emergency Medicine
University Hospitals
Case Western Reserve University School of Medicine

University Hospitals and Case Western Reserve University School of Medicine invite applications from board-certified physicians in the area of Emergency Medicine. The individual should have a demonstrated academic record consistent with the level of Associate Professor or Professor. In addition to providing effective leadership, this position has responsibility for defining the research and operational priorities of the Emergency Medicine Department. The ideal candidate has experience as an inspirational and collaborative leader in a large, urban, Level I trauma center.

Korn Ferry is conducting the search for this important appointment. For additional information and/or to be considered, applicants should forward a curriculum vitae and a brief statement of interest. Please contact: Jessica French, Senior Associate, Korn Ferry, via e-mail:
