(407) 672-3100 ext. 3034272

Price \$220 (Before discount) For
children entering 1st - 6th grade
Register at campinvention.org

Innovation, creative problem-solving and teamwork are important to us at Camp Invention. Here's how some young innovators will be spending their time:

- **Brainstorming** product ideas and building original prototypes using real tools and components found in everyday devices.
- **Exploring** the lives of giant insects, colorful animals and their environments.
- **Constructing and personalizing** a DIY solar-powered cricket with a unique habitat.
- **Discovering** the science of slime, demolition, electronic sound, giant squid and coding.

THIS YEAR'S ALL-NEW CURRICULUM WILL BE LED BY **EXPERIENCED LOCAL EDUCATORS** AND IS FULL OF **EXCITING ACTIVITIES AND TAKE-HOME ITEMS** TO KEEP THE FUN GOING ALL YEAR LONG!
