10 SESSION PROGRAM | \$140 TUITION + \$50 SUPPLY FEE

EDUCATIONAL ENRICHMENT CLASSES @ ALOMA ELEMENTARY

PK - 2nd : Junior Engineers

Wednesdays, 2:00 - 3:00pm
Sept 16th - Nov 18th

2nd - 5th : Apprentice Engineers

Fridays, 3:00 - 4:00pm
Sept 18th - Dec 4th

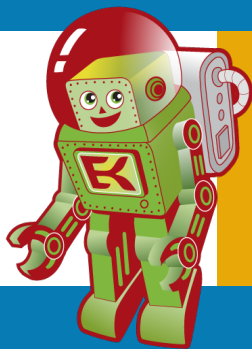

Using reflective and project based learning,

Junior Engineers will become **Aerospace Engineers**
as they learn principles related to the science of aircraft and spacecraft
(projects include rockets, parachutes, and hot air balloons).

Apprentice Engineers will become **Software Engineers**
as you will use MIT's Scratch Video Sensing.

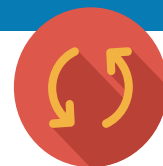

Design and program your own video games
and test them with movement in front of a webcam!

Apprentice Engineers will also
become **Aerospace Engineers** part of the semester

Agreements

- I agree to inform Engineering For Kids within 24 hours if my child or any member of the household develops a reportable communicable disease (immediate notification required if the disease is life threatening).
- The Engineering For Kids staff shall notify parent/guardians whenever their child becomes ill and the parent/guardian will arrange to have the child picked up as soon as possible.
- In the event I cannot be reached in an emergency, I hereby give permission to the Engineering For Kids staff to seek medical treatment at the nearest medical facility. I understand that I am responsible for the medical expenses incurred by my child and that Engineering For Kids advises that I carry health insurance for my child.
- I, on my own behalf and on behalf of said Minor, hereby certify that I authorize the above named individuals listed in the "Pick-up Authorization Information" section of this waiver, permission to pick-up and assume responsibility for the minor listed on this form.
- In the event that persons are designated "NOT eligible" to pick up a child, I agree to provide Engineering for Kids with appropriate custodial paperwork. Also, Engineering for Kids shall not release a child to any person without the parent's consent.
- Parents understand that to comply with the sign in/out procedures, the parent will come into the Program to pick up their child(ren). Engineering for Kids reserves the right to require identification of any person picking up your child.
- If applicable, Engineering for Kids will assess a late pick up fee of \$5.00 per 5 minutes after the end of class, to be billed and paid prior to the child attending the next class. Late pick-up fees are not collected by the on-site staff.
- More than two late pick-ups could result in suspension or termination of your child's enrollment in the program.
- In the event of disciplinary problems, the Program reserves the right to immediately terminate a child through written notice.
- I hereby authorize my child's photo/video to appear in the media or to be used to promote or publicize Engineering For Kids programs and I waive any rights of compensation or ownership thereto.
- Engineering for Kids does not assume responsibility for the child until the child arrives and signs into the Program.

Cancellation Policy: Registration and supply fees are non-refundable. Two weeks prior to the start of a program, a refund of the tuition is available if the parent provides a written request. Cancellations requested between 2 weeks and the first day of a program will be subject to a \$30 cancellation fee and the balance will be refunded or credited. After the first day of a program, there will be NO refunds or credits. However, if registered with the monthly payment option, written notice by the 15th of the month is required in order to not be charged or billed for the next month. Refunds are not available for vacations, special events, short-term illnesses, or other personal commitments that prevent attendance.
