Pittsburg County Cattlemen Win a Priefert SO4 Chute During the Recent OCA Convention & Trade Show

OKLAHOMA CITY, OKLA., July 27, 2015 – The Pittsburg County Cattlemen's Association won a Priefert SO4 Chute and Carriage during the recent Oklahoma Cattlemen's Association (OCA) 63rd Annual OCA Convention and Trade Show.

"Each year the unified county cattlemen's associations compete to win the use of a Priefert SO4 Chute," said Charlie Swanson, OCA President. "The OCA has a unified county program in place which means all members belonging to the county cattlemen's association also belong to the OCA."

A Priefert SO4 chute with carriage is awarded to the unified county that has the most growth from July 1, 2014, to June 30, 2015. Pittsburg County Cattlemen's Association has 94 total members and recruited 47 new members over the year.

"Congratulations to Pittsburg County Cattlemen," Swanson said. "We want to extend a special thank you to Priefert Ranch Equipment for generously sponsoring this award and supporting the OCA membership program."

The OCA represents more than 5,500 Oklahoma ranching families. The OCA exists to support and defend the state and nation's beef cattle industry. The OCA officers, board of directors and membership encourages you to join us in our advocacy efforts to ensure less government intervention, lower taxes and a better bottom line.
