

You will also personally still reap the benefit of receiving a free admission voucher (s) for each shift you work! Availability of any given date may change and you may volunteer for more than one shift if you wish. Have family and friends that want to earn a FREE Park ticket? No problem, they may volunteer as well, provided they are at least 18 years of age. Volunteers must have no known violent, criminal sexual or felony convictions and no outstanding warrants.

E-mail me at estauffer@wsrec.org or call 717-920-9515 ext.107. Provide the shift or shifts desired along with the name of each person volunteering, address, and home/work/cell phone numbers and e-mail addresses. After you sign up, I will e-mail you additional volunteer information and a map of where you will report that day if needed.

Thank you for your support!

Eric Stauffer

District 2

**Volunteer Program Information:*

Hersheypark has a volunteer program in place that helps them fill their staffing void in the early and late season when much of their workforce is attending classes at high school or college. Hersheypark will pay PRPS for each volunteer shift completed. In addition, each volunteer will also receive a voucher good for one of the following:

- One *Hersheypark* admission during the 2016 or 2017 season
- One admission to the 2016 *Hersheypark In The Dark* event
- One admission to the 2016 *Hersheypark Christmas Candyland* event
- One 2016 Sweet Lights ticket

Our group is continuing to work with the Ride Operations Department, so you will be assisting with duties such as queue line management, assisting with safety checks/operation of a ride or operating a kiddie-ride by yourself.
