**Eighth Annual
Wayne Johnson
Memorial Golf Outing**

Friday, May 27, 2016

Wayne Johnson dedicated his life to his love of recreation. Whether it was at work, in his community service or cheering on his favorite teams, his love of recreation was known to all.

Our friend Wayne passed away in 2008 after a short but valiant battle with cancer. In an effort to keep his memory alive, his family and friends have decided to hold an annual golf outing in his honor. This outing is scheduled for the Friday before Memorial Day and is the kickoff to the City of Greensburg Community Days event. Wayne was a volunteer on the Community Days Committee for many years and was instrumental in starting the weekend event.

All proceeds from the outing will benefit Greensburg Recreation and the community at large. The profit from last year's outing will be combined with a generous donation from the Jimmy Cook Memorial Golf Outing as well as city and grant funds to update the Stark Avenue Playground. New fencing, basketball hoops, playground equipment and surfacing will be purchased and installed. Trees will be cleared for green space and picnic areas. A new parking area will be established as well. A plaque will be installed when the project is complete.

We are asking for your help in making this outing a success once again. We hope that you can join us for a day of golf and fun in Wayne's honor. If you can't make it to golf, would you consider joining us for lunch, sponsoring a tee, donating a prize, or even making a cash donation? We truly appreciate involvement at any level. If you have any questions regarding the event, please see the attached flier or contact Brian Tutich at Mt. Odin Golf Course. He can be reached at 724-834-2640. Thank you for your help.
