God's Love in Action™

MEDITATION

It is from numberless diverse acts of courage and belief that human history is shaped. Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples to build a current which can sweep down the mightiest walls of oppression and injustice. ~Robert F. Kennedy
