#### Permission To Attend State Volleyball Games

\_\_\_ I/We, give permission for my student(s) to attend the Varsity Girls' Volleyball State Championship with the school on Friday, November 13, 2015. CSS will purchase my student(s)' game ticket(s) and provide transportation. Students who are transported to the game by means other than school transportation will need to purchase their own tickets and will not be supervised by CSS staff at the coliseum. My student should bring approximately \$10 for lunch, since packed outside food is not permitted in the coliseum. My student(s) will abide by all school rules.

The game is currently scheduled to be played at 11:00 a.m., but there is significant variation in actual play time. Vehicles will depart from CSS at 8:15 a.m.; the expected return time will be between 2:00 p.m. and 6:00 p.m. There will be no after school bus transportation to take students home in the afternoon/evening; parents will need to pick their students up at CSS upon return from the Denver Coliseum.

#### Return Transportation to School (Request for Additional Information)

\_\_\_ Please drop my student off at the Monument Park n' Ride upon returning to Colorado Springs on Friday, and I will be there to pick him/her up. I will expect a call from my student when school vehicles depart from the coliseum.

\_\_\_ My student(s) will not participate on Friday.
