

2015 Christmas CSA Share

Welcome to our first Christmas CSA share distribution! The Thanksgiving share was so successful that we're going to do it again. It will not be as large, or as diverse, but there will be a good selection of storage crops, and a lot of fresh, green crops that are still coming off the fields.

It will include the following: crunchy, sweet and beautiful carrots, leeks, garlic, onions, potatoes, and winter squash. It will likely also include bunches of arugula and spicy salad mix, kale, radishes, and turnips.

The cost is \$45. This is a discount of at least 20% off farmers' market retail.

Distribution will take place on Tuesday, December 22, from 4 – 7 pm. We will set up inside the barn, with a big old fire, food on the grill, wine and conversation, at my house – 131 Chestnut Street, Middleboro. **I will also have chicken and pork and beef and eggs and other farm products available for purchase.**
