

2016 Symposium on Sustainability in HEALTH CARE

Tuesday | March 29, 2016
Sharonville Convention Center
10 AM to 5 PM

AIA/HSW LUs, GBCI CEUs and PDHs
and More to be Available

UC Health, Wright State University, SOCHE, and Heapy Engineering are co-hosting the 6th Annual Symposium on Sustainability in Health Care (SSHC-16), at the **Sharonville Convention Center**. The SSHC is an educational event for Health Care providers and industry partners.

* **A Keynote Luncheon** is followed by two panel discussions featuring experts on sustainably-based *Clinical Operations* and *Health Care Leadership Sustainability Perspectives*.

* **A Trade Show** with exhibitors focusing on the Health Care industry runs concurrent with the Symposium.

* **Who should attend:** Health Care administrators, medical practitioners, A/E/C professionals, nursing/clinical staff, medical students/educators, environmental health and safety personnel and facility managers.

Just Announced... Panelists for Health Care Leadership Sustainability Perspectives

Panel Discussion: Health Care Leadership Sustainability Perspectives

Colonel Timothy D. Ballard, Wright Patterson Air Force Base Medical Center

Colonel Ballard is the Commander, 88th Medical Group, Air Force Materiel Command, Wright-Patterson Air Force Base, Ohio. As commander of Wright-Patterson Medical Center, he directs the second largest Air Force Medical Center with a total annual budget of \$141 million and employing a professional and technical staff of over 2,200 personnel who support the readiness, primary and specialty healthcare, and medical education missions.

Wayne Deschambeau, President/CEO, Wayne Healthcare

Mr. Deschambeau is the president of Wayne HealthCare, an award-winning hospital that serves the people of Darke County, which is located in Ohio's 8th Congressional District. The nearly 100-year-old hospital prides itself on quality medicine and personal care. Wayne Healthcare has 370 employees, 92 patient beds and a total of 228,000 SF and net revenue of \$65 million.

Richard Haas, Senior Vice President, Kettering Health Network

Kettering Health Network is a not-for-profit network of eight hospitals, 9 emergency departments and 120 outpatient facilities serving southwest Ohio with a net revenue of \$1.4 billion. Patients have access to high quality maternity care, state-of-the-art cancer fighting technology, Ohio's leading heart hospital, as well as revolutionary brain and spine surgery. With nearly 11,000 employees and 2,100 physicians, the Kettering Health Network is committed to transforming the healthcare experience with world class health services for every stage of life.
