

Project Manager

Cincinnati, OH

CR architecture + design manages seven areas of market expertise nationally and strives to be recognized as the national design expert in the market segments in which we serve. Our commercial, higher education, K-12, government, hospitality, housing, and retail groups focus on design creativity, technology, energy, value and most importantly, client service. As a market driven design firm, we maintain a balanced project workload, equally divided between the public and private sectors. Our commitment to our practice and the clients we serve continually fosters new ideas and platforms that are monitored and evaluated.

Our Project Managers can be described as Accountable, Responsible, Trusted, Leaders, & work with Integrity. As a Project Manager, you will manage all phases of the project lifecycle, including project scheduling, budgets and project set-up. This Project Manager will work collaboratively with their team to ensure that all projects are on schedule and within budget.

Basic Qualifications:

- Professional degree (Master or Bachelor) in Architecture from an accredited program, or like industry experience
- Experience in commercial, higher education, K-12, government, hospitality, housing or retail is desired
- Technically skilled and able to document in Revit and AutoCAD
- Focused on Budget, Schedule and Quality
- Commitment to effective communication, quality control and project delivery
- Effectively manage agreement, scope and project participant alignment
- Monitor design service, align owner expectations, and collaborate on construction team

Our Values:

*CR architecture + design is guided by our Four Values: **Passion. Collaboration. Integrity. Innovation.** Our values mold our behavior and drive our performance. We expect it from ourselves and we expect it from our partners. Each day, we measure our design practices, deliverables and services against these ideals and honestly assess our achievement. In our business, there are many factors beyond our control. Our values, however, can never be compromised and they will define who we are and why we do what we do. We are inspired. We nurture partnerships. We transform ordinary spaces into extraordinary places. We do work that gets our clients noticed. This is the ultimate measure of our success. There is no higher compliment.*
