Dear Valued Chamber Member,

The Chamber's annual Cosmic Golf Tournament is just around the corner and this year we are planning an even bigger event with some exciting new features! This year we will be "Raising the Bar" with a number of tasty food and drink bars to tempt you as you tee off. There will be a hotdog bar with all the fixings to create your custom-made, gourmet frankfurter. Those looking for a lighter option can visit the fresh salad bar. Finally, you can reward yourself for having a good game at the dessert bar! Of course, there will also be a traditional beverage bar where we will be offering a variety of drinks.

The Cosmic Golf Tournament is a fantastic opportunity for you to entertain clients and friends, as well as promote your business through networking and sponsorship/donation recognition. Get together a group of your staff and make it a day of team building on the course, or take on a business competitor in this year's corporate challenge.

We are seeking gift certificates, products and/or services, which will be used for prizes or at our auction table. Smaller items, such as scorecard pencils, are also greatly appreciated. You can give your business exposure by donating water bottles, lanyards, or pads of paper with your company's logo. This event typically draws more than a hundred Chamber members, as well as non-members, and the numerous volunteers who help put the tournament together. As a donor, you will have the opportunity to display your business cards at the tournament, have your company name displayed on the Chamber website events page, and receive verbal recognition during the event.

Have fun while you network and increase your business's presence in the community at the Cosmic Golf Tournament on August 14th at Pine Valley Golf Course. Please feel free to contact me (250-562-2454) if you have any questions, or if you would like to discuss how you can get involved with this event. We look forward to seeing you on the links!

Thank you so much for your support.

Sincerely,

Christie Ray
Chief Executive Officer
