

## The Spread the Sunshine Team is teaming up with Ohh Chocolat and the BC Professional Firefighters Burn Fund to raise money and awareness!

Currently BC burn patients experience a shortfall in critical service with the only critical burn unit being located at Vancouver General Hospital (VGH). The Burn Fund Centre will provide urgently needed patient and family accommodations that are located close to BC Children's Hospital and VGH. A home away from home while undergoing treatment, on discharge transition or returning for follow up treatments. The new Burn Fund Centre will be the best place for burn and trauma survivors to recover.

Partial Proceeds from this Fundraiser Benefit
British Columbia Professional Fire Fighters' Burn Fund
BURN FUND
Since 1978
TM

**Suggested Donation - $5.00**

**100% of the money raised goes directly to the BC Professional Firefighters Burn Fund!**

***~ Chocolates graciously created and donated by Ohh Chocolate Cafe. ~***
