

You want to increase member engagement. Your members expect access to information on-the-go. Now there's a mobile application that accomplishes both: the MemberPlus app.

Features include:

The MemberPlus app allows ChamberMaster and MemberZone users to provide their members with access to information related to their membership and your organization.

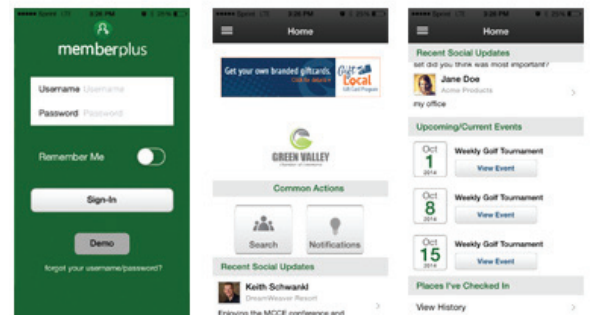

Dashboard

- Search for members and reps by name
- Receive notifications from your organization
- Collaborate with other members via the community feed
- View, register and pay for events
- Check in at events
- View the main menu

Easy-Access Main Menu

- Edit member profile information and picture
- Update and view community feed posts
- Search for members, reps, groups and favorites
- View all upcoming events, register and pay
- Retrieve and view important files
- Link directly to the full-featured Member Information Center
- Review notification history

The MemberPlus app includes multiple filtering capabilities to provide your members with a customizable experience.

Your members can download the MemberPlus app, log in using their current credentials, and begin using it immediately. It's FREE to download and available for iOS and Android devices. Simply search "memberplus." Learn more by contacting info@micronetonline.com or dialing 800-825-9171, option 5.
