

...Along with shopping, there are unique culinary creations offered by a variety of some of the finest area restaurants as well as fun, street food vendors offering snow cones, cotton candy, and a few favorite summer treats. We will feature several of Chicago's most renowned food trucks known for their unique and innovative menus. The trucks will serve everything from grilled chicken to cupcakes.

Our children's "Kid-entrepreneur" section will be located in Hubbard Woods Park featuring items created by local children including jewelry, duct tape wallets and so much more! Music will also play through the streets to liven up the sale.
