For more detailed information, please check out the brochure and flyer for sponsorship and donation opportunities, event details, and schedule details found further along in the newsletter.

We hope that we can count on your support and participation to make this fundraising effort a success. Proceeds will be used to enable the Winnetka-Northfield chamber of Commerce to expand its educational, networking and training opportunities in the Village of Winnetka, Northfield and the surrounding business community. There are sponsorship opportunities at many levels.

As always we have many opportunities to connect with chamber members through our multiple networking events through-out the month. We enjoy seeing you!
