

Ocean Edge Resort & Golf Club is thrilled to announce the opening of the new Beach Bar, the only true hotel beach bar on Cape Cod. Sip back and relax on this 32-seat, covered bar that sits atop the dunes of our private Bay Pines Beach. Take in the panoramic, undisturbed sights and watch the changing tide and the sun set over Cape Cod Bay. On clear days, guests can see Provincetown on the horizon and appreciate the beauty and magnitude of Cape Cod Bay.

The Beach Bar menu features signature, handcrafted cocktails such as the Cape Cod Cranberry Mojito, On the Dunes Martini and Terrace Sun-Setini. Guests can unwind by the bar, but are also encouraged to take their cocktails down to the beach to embrace the summer and the sand. The Private Bay Pines Beach and Beach Bar are offered exclusively to Ocean Edge Members and guests staying at The Mansion at Ocean Edge and our Presidential Bay Collection.
