Questions/ Feedback/ Ideas? Contact [info@darienafterschool.com](mailto:info@darienafterschool.com)

**Amazing Athletes:** Build endurance, hone agility and practice ball handling skills while having fun in a variety of sports.

**Brainteasers:** Learn strategy and problem solving with puzzles, brain teasers, and board games.

**Chess:** Learn the game of chess from setting up the board through checkmate including etiquette and strategy. All levels welcome.

**Cut, Paint, Paste:** Use fine motor skills while exploring your creative side.

**DAEG Architecture and Design:** Sketch and draft architectural plans and build models with a wide variety of materials.

**DAEG Blast Off Math:** Practice team building and math skills as you work collaboratively to solve creative math-based problems.

**DAEG Cranium Challenge:** Explore mathematical investigations and solve problems individually and collaboratively.

**Fashion and Design:** Find inspiration in a needle and thread. Learn about color and design, while hone your sewing skills with a variety of simple projects.

**Fiesta Latina!** Explore cultures of Latin America and the Spanish language through food, song, games and crafts.

**Game Time! Minute to Win It and More...:** Work in teams to “compete” in creative, fun activities that test problem-solving skills and inspire creativity.

**Improv and Theatre Games:** Play theater games and learn the building blocks to improvisation, drama, stage presence and public speaking.

**Junior Engineers Club....Legos and More!:** Join classmates each week to create structures based on a class theme, or your own inspiration, using many different building materials: K'nex, Contraptions, Legos, Marble Runs and more!

**Kempo Karate:** Learn punches, kicks and blocks in a fun and controlled environment. No contact or fighting. Belts provided. Optional belt advancements offered through Kempo Academy in Darien, additional fees apply.

**Life in the Wild:** Learn how local animals avoid predators, chase down prey and stay warm through games and visits with live animals.

**Mini Makers:** Join the 'Maker' movement! Use your imagination to design and build from all different objects and elements.

**Mission Impossible:** Can you get your team across before the other team does? Physically challenge yourself and team members as you face obstacles with loads of laughs and fun along the way.

**Musical Theatre:** Build confidence through music, theater, and movement. Sing, dance and learn how to project and bring a story to life.

**Sculpt and Build:** Learn various sculpting methods with Model Magic, self-drying clay, paper mache, wire and paper.

**Simple Science:** Learn about force and motion, acids and bases and air and water through simple experiments.

**Sports and Legos:** Celebrate the fall weather and play a variety of sports OUTSIDE in this Sports-Spectacular type class. During inclement weather days, the students stay inside to build amazing Lego creations.

**Tennis:** Learn fundamentals of forehand, backhand, volley, serve, scoring and overhead smash while playing games and drills.

**Young Author's Workshop:** Become a published author! Complete templates and illustrate pages to create a unique book using sight words.

**Young Voices:** Perform a variety of songs in this young chorus including popular, folk, and classic repertoire.
