Unless otherwise noted, Business & Community Education classes are held at the John N. Harms Advanced Technology Center.
Check out our complete list of classes at wncc.edu/bce.

PERSONALIZED EMBELLISHED PICTURE FRAME JUNE 22 9:00 A.M. – 12:00 P.M. \$15

Have fun using up those outdated broken jewelry pieces, buttons, ribbons, and small knickknacks to create a one of a kind picture frame worthy of any picture. Participants should bring any pieces of jewelry or beads they no longer use along with buttons, ribbon/fabric pieces, dainty fabric flowers, and any other small knickknacks that could be used. Please wear clothing suitable for using glue and scissors. Supplies provided include: Frames (all sizes up to 8 X 11), glue, scissors and other tools.

INTRODUCTION TO FLY FISHING JUNE 13 & 16 6:00 – 9:00 P.M. \$25

Fly fishing is generally thought of as a sport best enjoyed in the setting of mountain streams catching trout or salmon. While these waters are great places to fly fish, you can catch a variety of fish and have the same great fly fishing experiences in your local warm water lakes and ponds. This class helps the beginning or novice fly fisher learn the basic principles associated with fly fishing. Learn more about the equipment necessary for getting started, how to properly set up a fly rod, become familiar with the basic principles of fly casting, and understand the use of flies and common fly fishing strategies necessary for catching fish in streams, lakes, and ponds. This class is required in order to register for Principles of Fly Casting.

Adult Drawing

June 6 – 8 (Deadline to register: June 2)

or

June 27 – 29 (Deadline to register: June 23)

9:30 – 11:30 a.m., \$25

Learning to draw doesn't need to be frustrating. With the right instruction you can improve your observation skills with a few fool proof methods. This class trains your brain to use the skills you already have to tap into the right side of your brain and improve your drawing. We do basic pencil and paper drawing and move on to charcoal drawing in sessions two and three.

Bob Ross Painting

June 25 or July 30, 9:00 a.m. – 4:00 p.m., \$60

Bob Ross believed that everyone who wanted to paint, could paint like a natural with the right tools and a little encouragement. Students experience the joy and confidence of painting a beautiful landscape using the Ross wet on wet technique. With a little desire and some practice, you can learn a few basic techniques. All materials are supplied.

Pickleball Clinics

Terry Carpenter Center

Pickleball is a racquet sport that combines elements of badminton, tennis, and table tennis. Two, three, or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a wiffle ball, over a net. The sport shares some features of other racquet sports; the dimensions and layout of a badminton court, a net, and rules similar to tennis, with a few modifications. Come join us for two free introductory sessions to the fastest growing game in the nation for the 50+ age group. Get an excellent workout while having a great time! Pickleball provides exciting exercise and socialization for all. The game is great for both novice and experienced sports participants. Don't miss this opportunity

to experience an excellent exercise activity, meet new friends, and have fun!

Gering Civic Center

Most professionals aspire to build a business through client referrals, but many are uncomfortable bringing up the topic with their clients. Most clients would be happy to refer the professionals that they use, but they haven't yet found a comfortable and professional way to bring up the topic without feeling or looking like a salesperson. From this presentation you will:

- Develop a method of getting quality feedback from your clients that leads to increase referrals.
- Learn about the roadblocks that prevent most professionals from creating effective referral relationships.

If you are the kind of professional who values your clients and would love to duplicate them, Dan Allison and Feedback Marketing may be your answer.
