DRIVING YOUTH SUCCESS

We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That is why at the Buehler YMCA, thousands of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

The Buehler YMCA, a non-profit entity in your community, supports those in need who stand to benefit from the healthy living practices taught by and practiced at the Y.

Proceeds from this golf outing will benefit children, adults and families in our community by providing programming and membership scholarships. In 2014, the YMCA awarded approximately \$280,000 in financial assistance to over 600 individuals and families in our area.
