

# “Federal Infrastructure” Panel

Bonneville Power Administration

Pacific Northwest Government  
Contracting Conference

April 28, 2016

# What We Buy

Professional Services      NAICS # 541990

Construction Services      NAICS # 237130

Engineering Services      NAICS # 541330

These three codes account for about 58% of awards.

Also, materials and services to support transmission lines, maintenance facilities, and office facilities.

# Awards in FY 2015 were over \$850M

Over 40% of our Supplier Diversity Program Base award transactions were to:

Small Businesses,

Disadvantaged Small Businesses,

Women-Owned Small Businesses,

Service-Disabled Veteran-Owned Small Businesses  
and Veteran-Owned Small Businesses!

# Procurement Process

Most DOE agencies use the FAR for Procurement award processes.

BPA uses the BPI instead of the FAR.  
Procedures are similar but different.

Example: Full & Open Competition vs.  
Meaningful Competition.

# Potential Suppliers List

Send an email to [NewBusiness@bpa.gov](mailto:NewBusiness@bpa.gov) expressing your interest in doing business with BPA. We will reply with a link to a Survey Money survey. Fill out the survey completely. We will gather your responses and add your information to the potential supplier list. Contracting Officers may use this list to help identify possible suppliers to provide solicitations to.
