WOMEN IN TRANSITION

A Half-day Workshop for women 50+ exploring what's next for them

We are pleased to introduce TTN's newest Signature Program, **Women in Transition**, being offered on **Saturday, October 17**, from **9:00 AM to 1:00 PM**, at the **Montezuma Lodge, 431 Paseo de Peralta, Santa Fe, NM**.

The purpose of this highly experiential TTN workshop is for participants to:

- Engage and connect with other women 50+ in transition
- Enhance skills for successfully navigating change
- Expand possibilities and options
- Know how to create a meaningful life
- Create a "next steps" action plan.

If you are exploring new possibilities, rethinking your life and/or work, contemplating changes in your lifestyle or want to expand your networks, this informative workshop will provide you a guiding framework to understand the process of transition, with structured conversations for personal reflection and interactive learning.

What sets this workshop apart is the opportunity to become part of a vibrant community of women, and to make connections that can continue to enrich your life and support your journey over the next several years.

This workshop will be co-facilitated by **Jean Palmer**, National Board member and founder of the local chapter, **Sue Burgess** and **Linda Mickle**, active members of the Santa Fe Chapter.

The workshop is open to members, \$25 and non-members, \$35.
